CONGRATULATIONS TO THE MATRICULANTS

I am Limakatso Koloji, the Executive Mayor of the Dawid Kruiper Municipality. I would like to congratulate the matriculants who did well in the 2017 matric examination. It takes a lot of effort and hard work to achieve something.

Executive Mayor L.A. Koloji

I am aware of the difficulties under which some of the matriculants write their exams. I want to thank you for going against the odds in order to pass your examination.

I also want to thank the matriculants who did not make it in the exams. It is not too late to try again. The government provides opportunities for you to re-write. One famous quote reads "Do not fear failure but rather fear not trying."

"Only those who dare to fail greatly can ever achieve

greatly. "Great things happen to those who don't stop believing, trying, learning, and being grateful"

ERECTION OF TENTS IN THE STREETS AND NON-APPROVED AREAS

The Dawid Kruiper municipality has observed that most communities erect tents in the middle of the streets and non-approved areas for funerals or functions.

This is prohibited because of the high risk of accidents which might occur if a vehicle drives into the tents. The municipality will not accept responsibility if an accident occurs. The Municipal Manager, Mr Ntoba is calling

on the residents to make use of community halls and churches / church halls for functions and activities.

We are calling on the community to co-operate because this decision is taken in their interest.

The community can contact Patrick Nte or Jethro Andrews on (054) 338 7421 for clarity or more information.

We call upon all the residents to keep our municipal area clean / Ons doen 'n beroep op almal om ons munisipale gebied skoon te hou.
