

POLICY 026/2016 RAADSBELEID

SUBJECT/ONDERWERP: CASH MANAGEMENT & INVESTMENT POLICY

REFERENCE/VERWYSING: 5.8.B

RESOLUTION NO/BESLUIT NR: 6/05/2016 (SCM)

DATE/DATUM: 31 May 2016

POLICY OBJECTIVES: To assist management and employees of the Council to implement and maintain consistent, effective and efficient investment principles. To secure **and manage** all surplus funds of Council.

POLICY PHILOSOPHY: Council is committed towards securing **and managing** its surplus cash to maximize **resources and** effective service delivery.

1. LEGAL COMPLIANCE

In terms of Section 13 (2) of the Municipal Finance Management Act (Act no. 56 of 2003), municipalities are required to establish an appropriate and effective **Cash Management and Investment Policy**, in accordance with any framework that may be prescribed by the Minister for local government and consistent with the Municipal Cash Management and Investment Regulations. National Treasury, through Government Gazette No: 27431, published Municipal Investment Regulations, which municipalities are required to apply as guidelines when preparing a Cash Management and Investment Policy with effect from 1 April 2005.

2. SCOPE OF THE POLICY

This policy applies to the //Khara Hais Municipality.

3. OBJECTIVES OF THE POLICY

The objectives of the Cash Management and Investment Policy of the //Khara Hais Municipality are as follows: -

- Ensuring that cash resources are managed efficiently and effectively,
- Ensuring that investments are placed with reputable institutions, for the purpose of safety of capital investment, and diversification of the Investment Portfolio,
- Ensuring that adequate operating cashflow is maintained at all times
- Ensuring that the municipality receives optimal interest on its investments with financial institutions, at minimal risk,
- Striving for reasonable growth on capital investments in addition to interest earned on investments,
- Ensuring that monies due to Council are collected and banked appropriately as soon as they are received, and
- Ensuring that payments to creditors are made by the due dates.

4. **EFFECTIVE CASH MANAGEMENT**

All efforts must be made to ensure that:

- (i) **Collection of Cash / Revenue,**
- (ii) **Payment of Creditors and**
- (iii) **Administration of Banking Accounts**

are properly maintained to ensure that all excess cash is invested.

4. (i) **Collection of Cash / Revenue**

The cash collection process as determined by Chapter 9 of the Local Government: Municipal Systems Act (Act 32 of 2000) and the Customer Care, Credit Control, Debt Collection and Indigent Support Policy, should at all times be adhered to.

4. (ii) **Payment of Creditors**

The payment cycle of all **trade creditors** must be strictly maintained as required by the Supply Chain Management Policy, or as per payment terms stipulated on individual contracts. If there are incentives (e.g. trade discount) favorable to Council when payments are made before due dates, such incentives, where appropriate, must be applied. Urgent payments to creditors outside standard process shall only be made with the express approval of the Chief Financial Officer or Accounting Officer, who shall be satisfied that there are compelling reasons for making such payments.

Electronic Fund Transfers (EFT) Payments

In order to minimize bank charges, EFT payments will be done as far as possible to avoid bank charges relating to the issuing and processing of cheques.

Cheque Management

Cheques are printed in batch format. To prevent the removing of cheques, cheques are delivered in sealed boxes where strict control is exercised over the numerical sequence of cheques on the expenditure system by means of a cheque register.

The following controls should be exercised for processing and safeguarding of cheques:

- o All official cheques shall bear the name and emblem of the municipality and the name and emblem of the bank where the municipality holds an account and shall be pre-numbered. The numerical sequence of the cheques shall be in the same order as those in the ledger on the municipality's Financial Management System.
- o All cheques shall be kept in a safe and shall be under the custody of one assigned official at the Expenditure division and shall be monitored by means of a cheque register. Cheques

shall be kept in a safe at all times; no cheques should be kept on a cheque printer

- o All cheques shall be printed on an official electronic cheque printer located in a secure location. No hand-written cheques will be issued.
- o No cheque shall be processed and signed for payment without duly authorised supporting documentation.
- o The municipality shall, under no circumstances, issue out a blank cheque and all cheques shall bear the name of the bearer
- o All cheques returned from the bank shall be attached to the initial supporting expenditure

□ **Delegation/Rights**

Council's policy regarding signatory authorization of municipal cheques and bank transactions determines the posts that are authorized to approve electronic EFT payments and/or sign cheques on behalf of Council. Refer to relevant policy.

4. (iii) Administration of Banking Accounts

Council should operate with one primary bank account in accordance with section 8 of the MFMA. All monies collected by council should be recorded and paid into the Primary Bank account.

The municipality's bank account details should be submitted to the Provincial Treasury and Auditor General by the Accounting Officer within 90 days after the municipality has opened such an account in accordance with section 9(a) of the MFMA. The banking details should also be submitted annually before the beginning of the financial year. Such information shall include the name of each bank where the municipality holds a bank account, the account type and number of each account.

The opening/closing of municipal bank accounts, deposits/withdrawals into or from the municipal bank accounts, signing of cheques/appointment of cheque signatories, and signing of other payment documents, are the responsibilities of the Accounting Officer but may be delegated in writing to the Chief Financial Officer.

□ **Bank Overdraft**

- o Even when Council has an approved overdraft facility with its primary banker for possible unanticipated short-term cash flow shortfalls, its general policy is to avoid going into overdraft.
- o Short-term debt is incurred based on expected income and must be repaid within the same financial year. (Section 45 of the MFMA)
- o Council will set the credit limit for the bank overdraft facility. The terms of the agreement for the bank overdraft facility, including the credit limit, may only be changed by a resolution of council.

- o Any short term facility that requires review must first be approved by the Accounting Officer.

5. INVESTMENT ETHICS, PRINCIPLES AND PROCEDURES

The following ethics, principles and procedures shall apply: -

- The Chief Financial Officer shall be responsible for managing municipal investments,
- No improper outside influence or internal interference will be permitted at any time in regard to management of cash and placing of investments
- Quotations for call and/or fixed deposits from the approved financial institutions (a minimum of three) will be obtained at the time of contemplating an investment,
